MAGNANIMITAS ET HUMILITAS

FATHERSOFSTJOSEPH.ORG

Purpose

To move from shame and secrecy toward truth, accountability, and freedom and sonship in God the Father.

I: Encountering the Reality

Pornography “kills everyone,” not just the user.

Why do you think pornography is often minimized as “not hurting anyone”?

II. The Deeper Root

Pornography is not merely a lust problem; it is an identity and trust problem.

How does a lack of trust in God the Father make men more vulnerable to temptation?

III. Faith, Sonship, and Trust

“The essence of divine sonship is trust in God the Father.”

What does it practically mean to “trust God as Father” in moments of temptation?

IV. Freedom and Responsibility

What practical steps help men live as sons rather than slaves (confession, filters, fraternity, prayer)?
